Tommy Turnmitts

Suggested Classes: Rogue / Monk / Wizard

FEATURES		
	Age: 31	Height: 3'4"
	Race: Halfling	Weight: 41lbs
	Alignment: Chaotic	Eye Colour: Silver

PERSONALITY

You make your own luck in life, and shouldn't settle for what's dealt to you.

IDEAL

Shortcut. People make life harder for themselves. The easy way is the smart way.

"The envelopes with wax seals always have something interesting inside."

BACKSTORY

- As an adolescent, Tommy was considered a troublemaker and was often caught getting into scrapes with his friends.
- When his friends started to settle down, Tommy decided he would try and earn some honest coin, too. He joined the postal service, hoping it would be easy money.
- Tommy's daily jobs are more repetitive than he had hoped, so he's often trying to find schemes or other diversions to make his life more interesting... and lucrative.
- Festivities are a busy time for Tommy. When nobles' packages go missing, he can't be to blame, it is just an unfortunate result of 'strain on the system'.

Gretchen Wiles

Suggested Classes: Artificer / Sorcerer / Fighter

FEATURES		
	Age: 17	Height: 5'4"
	Race: Human	Weight: 133lbs
	Alignment: Neutral	Eye Colour: Brown

PERSONALITY

I will try most things at least once. What's the worst that can happen?

IDEAL

Opportunity. Take the chances life gives you, they might well lead to others.

"Can I interest you in an original, bespoke jack-in-the-box? Excitement guaranteed!"

BACKSTORY

- Gretchen begged her Aunt Madja for a trial apprenticeship in her toyshop, but a series of accidents forced Madja to reluctantly ban Gretchen from the workshop.
- Gretchen still works in the shop and jumps at any task that tests her creativity. Unfortunately, she mainly has to sweep up, clean the windows and sort scrap material.
- In her secret attic workshop, Gretchen builds her own toys, each more dangerously unpredictable than the last.
- She recently applied for a prestigious internship with the realm's finest toymaker, somewhat embellishing the details of her experience. She eagerly awaits a reply.

Krysgill Joyheim

Suggested Classes: Cleric / Bard / Warlock

FEATURES

Age: 312	Height: 4'11"
Race: Dwarf	Weight: 201lbs
Alignment: Chaotic	Eye Colour: Blue

PERSONALITY

Any problem can be solved with a generous sprinkle of glitter and a jolly tune.

IDEAL

Dedication. Do each task wholeheartedly, or don't bother doing it at all.

"I'm sure I can count on you to help with some pre-dawn decorating duties. T'is the season!"

BACKSTORY

- Krysgill has always enjoyed the holidays, but since retiring from work, his festive enthusiasm has only grown.
- For Krysgill, preparations for the next winter festival start as soon as the decorations are tidied away from the last one. He volunteers to chair multiple planning committees.
- Krysgill truly believes the holidays are the most magical time of the year and he is determined everyone else should enjoy them as much as he does.
- His neighbourly suggestions for how others could improve their festive efforts aren't always welcome, but nothing will deter him from making this the best celebration yet!

Robin

Suggested Classes: Ranger / Druid / Blood Hunter

FEATURES

Age: 37	Height: 6’12”
Race: Half-Orc	Weight: 268lbs
Alignment: Neutral	Eye Colour: Violet

PERSONALITY

I always mind my own business, so respectfully ask others to do the same.

IDEAL

Independence. Each person must walk their own path and be content with it.

“No ice skates for me, thank you. I’ll just finish my cocoa and be on my way.”

BACKSTORY

- This forest-dwelling trader is known as Robin, nicknamed for his constant bird companion. If any townspeople know Robin’s real name, they’ve long forgotten it.
- Robin visits town two or three times a year, selling the pelts of enormous beasts. In winter, he arrives dragging huge pine trees, the town’s favoured festive decorations.
- Robin attends almost all the holiday events around town, but always as an observer rather than a participant.
- When other revellers try to engage Robin in conversation about his life or the injuries he often seems to be carrying, he politely sidesteps their questions and concerns.

Theobroma Mavlé

Suggested Classes: Wizard / Paladin / Barbarian

FEATURES

Age: 29	Height: 5'9"
Race: Satyr	Weight: 176lbs
Alignment: Neutral	Eye Colour: Green

PERSONALITY

I never repeat a recipe. Constant reinvention is necessary for development.

IDEAL

Quality. If you put in the best you can, you will end up with the finest results.

"Why eat boring candy canes when you could try a black pepper and basil truffle?"

BACKSTORY

- Theo has dedicated her life to her work as a chocolatier. She sees her craft as a blend of science, art and magic.
- For the past decade, she has been the sous-chef to a local confectioner and has grown frustrated over his reluctance to experiment with new recipes or bold flavours.
- Theo resents the festive rush and the increased demand for novelty lollipops, especially as she believes children's undeveloped taste buds can't truly appreciate chocolate.
- As Theo shapes endless candy canes around her beloved oak rolling pin, she dreams of leaving her job, travelling and tasting different delicacies all around the world.
